Subject: Suggestion to Ministry of Commerce and Industry for EXPORT POLICY NEEDS TO CHANGE

Suggestion to Improve Commerce & Industry

To
Ministry of Commerce & Industry
Government of India

Message to	Hon'ble Cabinet Minister
Ministry / Department	Ministry of Commerce and Industry, GOI
Subject	EXPORT POLICY NEEDS TO CHANGE
Creative Suggestion	Today's Idea is very very crucial for INDIA in long run.

we need to make a substitute of china import.

CHINA NEVER BUY PRODUCTS FROM INDIA,
INSTEAD THEY BOUGHT FROM SMALLER
COUNTRIES SPECIALLY NEIGHBOR.

INDIA MUST DO TIT FOR TAT, INSTEAD OF MAKING
CHINA MORE AND MORE POWERFUL, WE NEED TO
START IMPORT FROM SOME SMALLER
COUNTRIES.

**What Positive change This
Suggestion can Bring ?**

IT WILL HELP INDIA TO MAKE OUR ENEMY WEAK.
