What Positive change This Suggestion can Bring ?

It appears linking of voter with aadhar has happened. We shifted from khairatabad. Without our applying for change in address my mrs. received epic. If this linking is completed voter can be given an option to come to booth physically and vote or he can online obtain permission to cast vote online. A OTP can be sent to registered mobile number which can be used to cast the vote.

**How can be
Implement ?**

By the ECI ordering state election officers to link. He can ask voters to file an application with epic no. and aadhar no.

Respected sir,

I have applied for a voter id in the month of August and I recently found out that it got rejected due to the picture not being clear.(The application was taken by the BLO of my Khairatabad Constituency).(S29060V6N1308231000041- Rejected)

I have filled a new application(on my own) for the voter id,right before 3 days of the 2023 Telangana Elections.

As there was no time in order to get the application approved at the time,I would kindly request you to approve the application as early as possible.

Me being a 19yr old first time voter was eager to vote,but due to my BLO being careless I couldn't vote this time.I wanna vote for the upcoming MP Elections in the state.

KINDLY APPROVE THE SAME

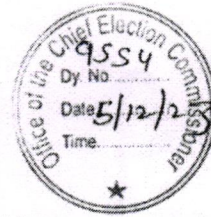

PLEASE FIND THE APPLICATION/REFERENCE NUMBER BELOW:

Dear Sir/s

My current address on the voter id card is not yet updated. It's been quite some time now.

I do not get any satisfactory and logical responses to my followup email messages.

Pr. Jyoti (AK)

I have tagged the higher ups deliberately so that my request is addressed on priority basis but it is of no use.
